Please remember that the **ACT and SAT** are a **two-step registration** process. Participants must meet the WATS deadlines **FIRST**, then are responsible for making the test company deadlines – **watch the mail for registration packets**. The **EXPLORE** is a **one-step** process with WATS deadlines only. Late testing dates are available, but **will not qualify** students for State Recognition Ceremonies (SAT 3/13 & 5/1; ACT 4/10).

For example, in order to take the February 6<sup>th</sup> ACT, students must submit a **WATS application to CBK** before December 7<sup>th</sup>. **ACT materials will then be mailed to the family**, who must complete them using the Talent Search codes and then **send ACT materials directly to ACT** before January 5<sup>th</sup>.
